

Pantron Automation, Inc. Has Moved to a New Location

CRAMERTON, NC — Pantron Automation Inc. has leased 5,000 square feet at 109 Hubbard Street in Cramerton. Pantron is a supplier of photoelectric controls; a product line of German based Pantron Instruments. The Pantron Automation office originated in Gaston County in 1997. The company has experienced excellent growth since inception and will now continue their sales and distribution business in the new Cramerton location. The new building offers a larger storage facility and a convenient location to Interstate 85 as well as the Charlotte/Douglas International Airport.

Pantron Instruments and Pantron Automation are solely owned by Mr. Bernd Oettleben of Germany. Local President Emily Finley is responsible for all North American sales and distribution. The building is owned by Tom Haus of TKW Holdings LLC who purchased it and two additional buildings from Custom Industries in 2004. Mr. Haus operates his business in one building and leases the other locations to small businesses.
