Annually Registered Motor Vehicles

Motor Vehicles may be included as a portion of the property acquisitions for the Calendar Year 2021. Due to the manner in which Annually Registered (tagged) vehicles are listed and assessed throughout the calendar year, you will need to provide a list of the vehicles you owned on January 1, 2021 and January 1, 2022. This listing will allow for the determination of the change in net taxable value of vehicles. **Vehicles that were both acquired and disposed of during the calendar year do not qualify and should not be reported on this form. Do not include IRP plated vehicles, multi-year/permanent tagged trailers or untagged vehicles on this form, because they should be listed and new acquisitions shown on Form SBIG-2.**
